

PRACTICAL LIFE HOLDINGS LLC

Secure Virtual Supervised Visitation & Compliance Logging

COMPANY OVERVIEW

Practical Life Holdings LLC provides secure, professional, court-approved virtual supervised visitation monitoring services. Fully compliant with California Uniform Standards of Practice (Standard 5.20), we deliver high-utility, independent third-party observation and meticulous compliance documentation for judicial and child welfare agency review. We substitute manual caseworker oversight with a secure, remote solution that maintains family connection while protecting child safety and data integrity.

CORE COMPETENCIES

- **Virtual Supervised Monitoring:** Secure, high-definition remote video monitoring (via Zoom) for family court, reunification, and dependency cases.
- **Judicial Documentation & Reporting:** Developing objective, comprehensive visitation logs and behavioral metrics formatted precisely for social workers and family law courts.
- **Intake & Compliance Screening:** Multi-step verification and intake parsing to ensure virtual visitation is safe and aligned with specific court mandates.
- **Multi-Jurisdictional Cross-Border Facilitation:** Safely connecting out-of-state parents with children while maintaining local county compliance.

DIFFERENTIATORS

- **Approved Court Provider:** Currently active on the California Superior Court referral infrastructure (Riverside County).
- **TrustLine Registered:** Backed by California's official automated background check system for child safety.
- **Zero-Facility Overhead Model:** Virtual-only design minimizes logistical delays, allowing sessions to launch within days rather than months.
- **Micro-Purchase Ready:** Positioned to accept immediate direct agency placements and purchase orders under the \$15,000 threshold, bypassing long procurement cycles.
