

PRACTICAL LIFE HOLDINGS LLC

Secure Virtual Family Visitation — Private & Voluntary Accounts Nationwide

COMPANY OVERVIEW

Practical Life Holdings LLC provides secure, remote-monitored family visitation services, available to private and voluntary accounts nationwide. Our California-based team is TrustLine registered and operates in full compliance with California Uniform Standards of Practice (Standard 5.20) for California court placements. For court-mandated cases originating outside California, clients and referring parties are responsible for confirming this service meets their local jurisdictional requirements.

CORE COMPETENCIES

- **Virtual Supervised Monitoring:** Secure, high-definition remote video monitoring (via Zoom) for family visitation needs.
- **Documentation & Reporting:** Objective, detailed visitation logs suitable for personal records or legal reference.
- **Intake & Screening:** Multi-step verification process to help ensure virtual visitation is safe and appropriate for each family.
- **Multi-Jurisdictional Facilitation:** Safely connecting parents and children across state lines.

DIFFERENTIATORS

- **TrustLine Registered:** Backed by California's official automated background check system for child safety.
- **Zero-Facility Overhead Model:** Virtual-only design minimizes logistical delays, allowing sessions to launch within days rather than months.
- **Private & Voluntary Access:** Available to any family nationwide, without requiring a court order or government procurement process.
- **California Court Compliance:** Fully compliant with California Uniform Standards of Practice (Standard 5.20) for California-based court placements.
